portfolio : nganda-steve.vercel.app

blog : www.laguildedescodeurs.com

SUMMARY

Passionate Full stack developer with 3 years' experience designing optimized UIs, building high-performance backends, and leveraging cloud solutions. I share ideas via blogging and engagement. Outside code, I strum my guitar or savor waffles, blending creativity, professionalism and humor.

SKILLS

- Frontend Frameworks : Next.js, Vue.js, React.js
- Backend Frameworks : Spring Boot, NestJS, Node.js, Express.js
- CRM techs : Salesforce, Apex, Lightning Web Component, Visualforce Page, SOQL
- Cloud & Database : Firebase, Cloudflare, Vercel, AWS, GCP, MySQL, Postgress, MongoDB, Appwrite, Strapi
- Other tools : Docker, Kubernetes, Git, Github, Gitlab, Bitbucket, Trello, Jira, Framer motion

WORK EXPERIENCE

Full stack Web developer , ARON CLOUD   **May 2024- Present**
